Engineering Report

Borough of West Cape May

FY 2010 USDA RD Sanitary Sewer Extension, Water Main Replacement and Meter Installation Program

- Status:
- USDA made the formal announcement of the grant/loan in the amount of \$708,000 Grant and \$2,305,000 Loan.
- The Agreement between the Owner and the Engineer for Professional Services has been executed between the Borough and RV&W.
- Topographic and Utility Survey activities are completed.
- Final Design is underway.
- Our tentative timetable is as follows:

Plans and specifications submitted to USDA for approval to advertise	June 15, 2012
Advertise for bids	June 30, July 7 & July 14
Open Bids	July 25, 2012
Submit Bid Tabulation and Documentation to USDA for approval to award	July 31, 2012
Award Contract (Commissioner's Meeting)	August 8, 2012
Pre-Construction Meeting	August 15, 2012
Issue Notice to Proceed	August 20, 2012
Contractor to submit shop drawings, schedule, etc.	August 20, 2012- Sept. 7, 2012
Physical Construction to Begin	Sept. 10, 2012

- The suggested sequence of operations shall be
 - a. Central Avenue and Park Boulevard
 - b. Grand Avenue, Willow Avenue and Maple Avenue
 - c. Stewart Avenue and Landis Avenue
 - d. Third, Fourth, Fifth Avenues and State Street

FY 2012 NJDOT Municipal Aid/Bike Path Applications

- Status:
- The Borough has been notified of Award, under the Municipal Aid Program in the amount of \$180,000.00.
- The limits of Phase 2 are generally from Emerald Avenue to Central Avenue. The scope of work will include installation of curb and sidewalk on the west side of Park Boulevard between Emerald Avenue and Leaming Avenue, pavement widening, and bike lane striping and signage.

S:\West Cape May\Engineering Report\2012\12May9 - Engineering Report.doc

The scope of work for Park Boulevard between Leaming Avenue and Central Avenue will include widening of Park Boulevard to a width of 34 feet to allow the striping and signage of bike lanes on each side of Park Boulevard. No curb or sidewalk will be installed in this area at this time.

The proposed work will include the construction of off-pavement parking areas between Myrtle Avenue and Pearl Street. Presently the new bike lane goes to the pavement edge and the road is signed "No Parking Bike Lane."

- The work will be included in the USDA contract. The USDA contract included the installation of a sanitary sewer in Park Boulevard between Leaming Avenue and Central Avenue.
