\*(open 11am-12:30pm)

**Tournament Rules: Triple Elimination non-sanctioned with awards going to 1<sup>st</sup> place**

- Bag on Board = 1 point – Bag through Hole = 3 points
- Bags that hit the ground prior to landing on the board or going into the hole do not count
- Any bag hanging off the board and touching the ground does not count
- Any bag hanging in the hole only counts as 1 point
- Cancellation scoring is used at the end of each round. After all 8 bags have been thrown; the score is calculated based on the bags that remain on the board and have gone in the hole. If Team A has 4 points and Team B has 3 points, Team A will get 1 point and a game is played to 21+
- Bag toss takes all – The player that wins the bag toss chooses the initial side of the board to throw from and whether to start out throwing first or second
- Players will alternate throwing their 4 bags down to the board on the other end
- Throwing out of turn or outside the throwing box is a foul. The bag that was thrown when the foul occurred does not count and is immediately removed from play
- In Doubles, partners stand on the opposite side from each other. This means that one player from Team A will throw from the right side of the board on the one end and the partner will be throwing from the left side of the board on the other end
- These rules serve as a basic guideline and mirror how we will run our tournament. There are many variations that are played among family and friends. If you are unsure about the rules of a recreational game or tournament, make sure you ask the person in charge before you start playing.

**Spectators Welcome! We will have local vendors present & live music all day!** All ages are welcome to play.
