### The Birthday Party

Join us as we celebrate the 150th birthday of William J. Moore with live music, entertainment, and light fare from Matt's Family Taste the Love food truck. A portion of your ticket goes directly to the scholarship fund.

### William J. Moore

William J. Moore graduated 3 generations of West Cape May's Black children. He was also Cape May's first tennis pro and the first Black tennis pro in America.

### About Us

Founded in 1973, the foundation honors the legacy of William J. Moore, a legendary educator who, during the days of legal segregation, provided a half-century of exemplary leadership to West Cape May's school for African American students commonly known as the Annex. The foundation awards scholarships for financially challenged high school seniors throughout Cape May County. Help us continue this tradition by making a TAX DEDUCTIBLE donation today.
