

**NOTICE TO
WEST CAPE MAY WATER CUSTOMERS
2022 WATER MAIN FLUSHING SCHEDULE**

Water mains in the Borough of West Cape May will be “flushed” to remove the build-up of rust and sediment. This procedure will help improve the quality of drinking water. While flushing does not “cut off” the supply of water, it will “stir up” the rust and sediments in the water lines.

Customers should **REFRAIN** from doing laundry.

Flushing dates are as follows:

June 6, 2022

MYRTLE AVENUE-CENTRAL AVENUE

(EAST OF BROADWAY)

June 7, 8, 9, 10, 2022

(WEST OF BROADWAY)

Flushing will occur between 7 am & 3 pm.
